Indices to Volume 23 of the *Policy Studies Journal*

The following indices of subjects and authors cover the volume 23 (1995) issues of the *Policy Studies Journal*. The subject index covers the basic concepts included in the titles and subtitles of the symposia articles, the individually-contributed articles, and the book reviews/essays. The author index covers authors of all articles, reviews, reviewed books, and essays, but not names referred to in the articles. Volume numbers are listed below in parentheses, followed by page numbers.

Subject Index: *Policy Studies Journal*, Volume 23 (1995)

African Americans, consequences of liberal policy debates for (1) 167–169
Agricultural policy
    environmental effects of (3) 519–533
